

UK Declaration of Conformity

Product Number: ATTINY416-XNANO
Revision: 5
Product Name: ATtiny416 Xplained Nano
Date: 05/20/2024

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Manufacturer is Microchip Technology Incorporated located at 2355 West Chandler Boulevard, Chandler, Arizona 85224 USA.

The unit covered by this declaration is a development/evaluation tool which is designed to be used for research and development in a laboratory environment. The unit covered by this declaration is not intended to be a finished appliance, nor is it intended for incorporation into finished appliances that are made commercially available as single functional units to end users.

The object of the declaration described above is in conformity with the relevant statutory requirements:

The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 and following amendments, with exemption(s) 21.

The following designated standards and technical specifications have been applied:

Table with 2 columns: Standard (BS EN IEC 63000:2018) and Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances (IEC 63000:2016)

The module(s) and its homogenous materials comply with The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment regulations 2012 and following amendments via designated standard BS EN IEC 63000:2018 and carries the UK CA mark accordingly.

Signed for and on behalf of Microchip Technology Incorporated

Table with 2 columns: Name (Jennifer Norton, Corporate Product Material Compliance Engineering) and Address (2355 West Chandler Blvd. Chandler, Arizona, USA 85224-6199)
